

# QUALITY POLICY

Quality is a supreme core value  
that EEI Corporation advocates.

Such value shall be tangibly expressed  
and ingrained in the conduct  
of our business and in our way of life.

It shall be shown in the  
excellence of our products and services;  
exceptional result of our individual and collective work;  
pleasant, clean and safe work environment;  
and in cordial and professional relations with others.

To uphold this value,  
we commit ourselves to satisfying  
the requirements of our clients and stakeholders,  
and to the continual improvement of our  
Quality Management System.
